Why We Walk...

Here are some reasons why our Autism Project group parents walk.....

“ I walk because my son lives in a world that sees his areas of need, but not his strengths.

I walk because I’ve been my son’s translator, guide, teacher and advocate, but I won’t be here forever.

I walk because of all the resources, conferences, and professionals I have met on my autism Journey — none compare to The Autism Project.

We walk because we imagine the possibilities.”

“I walk because the world around my daughter can be a difficult place to maneuver and understand.

I walk because my daughter continues to overcome challenges.

I walk because I’ve been humbled as a person, and learned a lot about my own strength.

I walk because I’ve met some wonderful people along this journey, and they are a part of my “Autism Circle”.

I walk because I am my daughter’s biggest cheerleader!”

How We Can Help...

Did you know that every 20 minutes a child is diagnosed with an Autism Spectrum Disorder??

Our staff is here to help!

The Autism Project Programs

Social Skills Groups • Summer Camp • Parent Support • Parent and Professional Trainings • Parent and Grandparent Support Groups • School Consultations • National Speaker Conference

Thanks to YOU, we opened a **new center in the East Bay** in 2015 to serve more families across RI and bring help closer to home.

Your support makes ALL the difference!

The money **YOU** raised at last year’s Walk made the following possible in 2015:

- 115 children, teens, and young adults with an ASD attended our *Camp WANNAGOAGAIN!*
- Hundreds of children and teens with an ASD participated in our social skills groups.
- Our Parent Resource Specialists logged over 1,100 hours of direct parent support.
- We trained over 1,800 parents and professionals on ASDs.
- Our consultants spent over 1,400 hours in 13 school districts helping educators ensure that children with an ASD learn and succeed in the classroom.
- We created Play Books and Video modeling for 15 Hasbro toys and games to teach children and teens how to experience the joy of Play!

Let’s make 2016 even better! We can’t do it without YOU!
