

Harmony Lodge No. 9 F.&A.M

Regular Communication

Tuesday, September 1, 2020 at 7:30 PM

No Dinner Due to COVID-19 Restrictions

We have spoken to the Most Worshipful Grand Master and we are able to open our Lodge for up to 66% of our capacity with practicing social distancing. With that said, there will be no reservations needed as we never hit that capacity at our Regular Communication attendance. This message differs from the notice that went out by snail mail. We apologize, as you are all aware with the current pandemic, the situation changes on a weekly and at times a daily basis.

Officers & Members attending the actual meeting are required to follow social distancing measures. Masks, gloves & sanitizer will be available at the Lodge.

For members who would rather social distance and remain safe at home, we will be able to join us via Zoom just after we open Lodge to just before we close Lodge. Just use the link below on the night of Tuesday, September 1st at 7:30 pm and Wor. Brother Secretary Robert Kempf will admit you.
